Dear Sir/Madam:

In 2012, the booster organizations supporting the arts and athletics programs in the Freedom Area School District came together to establish the Freedom Cares Foundation. It was our goal to work together as a community to support our outstanding students. We are proud to inform you that our endeavors as a group have been very successful in raising funds to help defray the ever-increasing costs of participating in these activities. Due to this resounding success, the Seventh Annual Freedom Cares Cash Bash will be held on Saturday, February 29, 2020, at the St. Elijah Serbian Center, Aliquippa. Some of the teams and activities that will be helped through this year's efforts are: Drama, Soccer, Band, Wrestling, Baseball, Softball, Track/X-Country and Football/Cheer.

In addition to fundraising for the arts and athletics programs, we also awarded a \$500 scholarship to a 2019 Freedom High School graduate that participated in the arts program and to one that participated in the athletics program last year, as well as a \$250 scholarship to an alumnus. We will again be awarding three scholarships in 2020, two to seniors and one to an alumnus.

As we begin preparations for this next Cash Bash, we are asking for donations of goods and services that will be used the night of our event. All contributing businesses will be acknowledged both verbally and through signage throughout the event as well as having the business names listed on our website with a link to the business' website, if one is provided.

Please consider helping the deserving young people of Freedom Area School District, we are a 501(c)3 non-profit organization so your donation is tax deductible. If you are interested in making a donation, you can do so by mailing it to Freedom Cares Foundation, 512 Allola Dr. New Brighton, PA 15066, arranging pick up by contacting Monica Grunnagle @ 724-622-9724 or visiting www.freedomcares.org/chineseauction.

We appreciate your support and Thank You in advance for your donation!

Sincerely,

Monica Grunnagle
