

Strip Ticket Sellers

- **Must purchase a \$40 Admission Ticket**
- **Need 8 people**
- **Must wear supplied volunteer shirt**
- **Work as 4 teams of 2 to sell Strip Tickets. One person from each team will handle the money and the other one will handle the tickets.**
- **Each team will be assigned a section of the room to cover and must be sure to move among all assigned tables while selling so that all of our guests have an opportunity to buy and have fun. DO NOT WORK ANY TABLES NOT ASSIGNED TO YOU. This causes your tables to not be taken care of properly.**
- **Payout any INSTANT winners from your money apron. These are ones that show as a winner directly on the ticket.**
- **DO NOT pay out any winners from holdovers (ones that had a winner pulled). These winners will get paid at the Payout Table.**
- **When provided tickets have all been sold, exchange aprons with the bank runner to get new tickets to sell**
- **If there is a delay in getting more tickets to sell, take instant strip ticket bucket from Payout Table and sell those tickets. These ones do not have any holdovers.**
- **Never permitted to enter the bank**
- **Only two strip ticket sellers may eat dinner at a time, but must be from different teams so that our guests have an opportunity to purchase tickets at any time**
